

Dear Sir/ Madam,

It is with great pleasure that we invite a delegation from your esteemed institution to participate in the 8th session of the Sri Lanka Model United Nations conference which is scheduled to be held on the **14th, 15th and 16th of August 2015**, at the *Bandaranaike Memorial International Conference Hall (BMICH)*, **Colombo, Sri Lanka**.

From its humble beginnings in 2005 as a simulation of the SAARC, the conference has grown exponentially. Having been successfully organized for ten consecutive years (SAARC [2005-2007] and SLMUN [2008-2014]), Sri Lanka Model United Nations attracts over 1200 high school students of which includes hundreds of international students, who attend to experience a multi-cultural conference with the highest level of diplomacy. This makes SLMUN the **most representative youth model UN conference in South Asia**.

Apart from consistently being successful in providing a unique and innovative experience of diplomacy to delegates, SLMUN has managed to harness and channel the energy and enthusiasm within our conference into tangible social work through our CSR project- 'One World' and 'Diplomatic Sri Lanka Initiative', as a means of creating future diplomats in the rural and urban areas of the Island.

SLMUN 2015 operates on theme of "**Shifting Policy Paradigms**" allowing delegates the chance to debate on range of pressing global issues, while challenging a newer dimension of International relations and building strong networks. The vast array of topics and committees will ensure a uniquely engaging experience for all delegates.

SLMUN 2015 will be introducing a "**Best Foreign Delegate**" award in each committee. Apart from being eligible for awards such as best delegate and honorary mentions, foreign delegates will have the opportunity to be eligible for the afore mentioned award as well.

Since we are currently under way of finding Hospitality and Airline partners in order to provide our foreign delegates with the best possible packages, the pricing details for the conference as well as committee procedures will be emailed via a form of a "foreign delegate docket" by March 2015.

Institution Registrations are now open. To commence registrations, please visit www.slmun.org
